

Iowa Canyon - gold, silver

**TOIYABE DISTRICT
LANDER COUNTY
NEVADA**

TARGETS AND POTENTIAL

Bulk mineable gold or gold silver deposits in skarn setting of the Battle Mountain- McCoy style.

LOCATION

20 miles north of historic Austin silver camp.

PROPERTY

13 unpatented lode mining claims owned outright by BUS.

GEOLOGY

Classic northern Nevada geologic setting for Carlin-type or skarn gold with particular similarities to the Fortitude and McCoy models.

EXPLORATION HISTORY

Exploration by Hemlo-Bus J.V. including 17 drill-holes.

Wide-spread gold mineralisation + 1ppm values together with ore grade silver.
